## Ban Of Firecrackers Possible In City: Council

Sale of firecrackers may be banned in White Rock before this year's Halloween celebrations, Oct. 31.

Complete ban on fireworks was advocated Tuesday when three City aldermen stated they were in favour of prohibiting the sale following a query by Ald. Alex Mitchell, chairman of the fire and police committee.

Mayor W. (Bill) Hodgson said he had no opinion on the matter. He said it was up to the citizens of White Rock to express their desire on the subject and what ever they decide would be agreeable with him.

Under the present Provincial Act which was accepted by a Surrey by-law in 1956 and is in effect in White Rock at the present time, sale of firecrackers is permitted from Oct. 24 to 31.

**NEW BY-LAW**  
If the City wished a new by-law on the sale of firecrackers, it would have to be passed by a majority of the City Council.

Surrey by-law and pass one pertaining to White Rock, City Clerk John L. Jones pointed out.

Mayor Hodgson said that complaints arise when children buy firecrackers the week

before Halloween and explode them in the streets. He felt the sale of fireworks to adults should not be considered as firecrackers.

Mr. Jones said that under the Provincial Act "fireworks" and "firecrackers" were classified as one.

City Solicitor Lorne Jackson said he did not feel City Council had the authority to ban the complete sale of fireworks under the Act.

The City Clerk was instructed to write to Kelowna and Creston, two cities who have banned fireworks sales, and find out under what section of the Act the ban is enforced.

## Quick Commuting Brings Teacher Here

A quick trip by air brought a new teacher all the way from England to take up his duties in Semiahmoo High School next week.

Mr. Peter Lowe, of Melton, near Manchester, left London Airport on the morning of August 23 and arrived in White Rock in the afternoon, August 24.

He is at present a guest at White Rock Lodge.

## COUNCIL BREVITIES

City Solicitor Lorne Jackson will study the Great Northern Railway property lease to find out Council's position in installing a public telephone booth on the No. 2 pump house in the Park End of White Rock.

Public Works Superintendent Bob House was instructed by Council Tuesday to find the cost of repairing a 36-inch culvert laid on planks at Marine Drive and Bishop Road. Mr. House reported the planks had tipped allowing the tile to fall out of line. City Solicitor Lorne Jackson pointed out the cost would be considerable should there be a serious flood before the culvert was repaired.

City Clerk John L. Jones will investigate the Surrey traffic by-law now in effect in White Rock making it possible for Council to pass a ruling on the obstruction of fire equipment by parked cars in lanes within the City. A letter from the assistant fire marshal was received by Council Tuesday asking that action be taken to curtail parking in narrow lanes unless a driver is present. City Solicitor Lorne Jackson said this would mean an amendment to the parking by-law and there is no parking by-law at the present time in White Rock. He said the City is governed by Surrey by-laws.

Still no word has been received by Council from Surrey in regard to the White Rock-Sunnyside Fire Committee's recommendation that City Fire Marshal C. W. Polard be reinstated as fire chief of the White Rock-Sunnyside Department. The matter came up at Surrey Council Monday but was turned to committee for further study. Councillor Alex Stewart presented a report.

## School Days

## White Rock School Enrolment Reaches 1114; Classes Start Sept. 4

Some 385 students will file into Semiahmoo High and 729 pupils are expected to enroll at White Rock Elementary when schools reopen for the Fall term Sept. 4.

School Inspector K. B. Woodward announced Tuesday that the four-room addition to Semiahmoo would not be opened until October. The structure was originally planned to be completed by Aug. 28.

New members on the high school staff this year include Mr. Peter Lowe of England, Mr. Beckett of Toronto, Mr. Carlin, who will teach physical training, Mr. Malcolmson of Newton who will instruct Industrial Arts, Miss Boulanger of Home Economics instructor Miss Keirer of Prince George who replaces Miss Dorothy Graham as physical education teacher.

Eight students attending Ray Shepherd and Sunnyside Schools will take Home Economics and Industrial Arts classes at Semiahmoo, Mr.

## Bold Thieves Steal Freightway Safe

A 400-pound safe was stolen by bold thieves from the White Rock office of public Freightways on Washington Ave. early Wednesday.

Lou's Stevenson, local manager of the Freightways, told the Semiahmoo Sun Wednesday, that he found the safe missing at about 8 a.m. He said there was about \$100 in the safe.

Mr. Stevenson said the thieves were evidently familiar with the location of the safe or they would have had trouble carrying it to the front entrance. Tire marks led up to the front door, he said. The manager reported it would have taken at least 10 minutes to remove the safe. RCMP at White Rock are investigating.

## Woodward reports.

### OTHER SCHOOLS

Some 173 students will register at Ray Shepherd, 201 at Crescent Park and 279 at Sunnyside on Sept. 4 the Inspector stated.

New staff members at White Rock Elementary are Mr. William Britland, Miss Merle Ogden, Mrs. Watson Davis, Miss Moffat and Miss Carnes.

Mrs. Fowler, Miss Maureen Ogden and Mr. Biehl have joined the Crescent Park staff are Mr. J. Smith of England, Miss Stevenson and Mrs. Bru-

nelle will teach at Sunnyside, Miss Joanne Hunt will instruct at Ray Shepherd.

### SHIFTS

Mr. Woodward reports that only 36 classes will be on shift in School District 38 this year, as compared to a record 102 classes seen in previous September.

The Inspector pointed out the greatest difficulty this year is building that are not ready because of plans that have been delayed. Work is going ahead quickly, however, he added.

## CIVIC ELECTION

## Suddes To Stand For Mayor, William Hodgson, Burrows?

One White Rock citizen to date will stand for Mayor and two others are undecided as Sept. 19—the day set for this City's first Civic Election comes closer.

Present Mayor W. (Bill) Hodgson, appointed by the Department of Municipal Affairs until the first election, and former White Rock Councillor Jack Burrows told the Semiahmoo Sun Wednesday they are still undecided on their Sept. 19 stand.

Sid Suddes, owner of White Rock Lodge and president of the Ratepayers' Association here announced Wednesday he will definitely be contesting the Mayor's seat in this election.

Mr. Suddes, who is a director of the New Westminster United Good Neighbour Drive was also president of White Rock Sea Festival Society for several years.

Mr. Burrows, who recently lost a close nomination race to Dr. Gordon Gibson of Newton for the Social Credit seat in the Provincial By-election, stated earlier his in-

tervention to run for Mayor should be lose the Scored nomination.

Mayor Hodgson said he was "quite undecided" and would need more time to think the matter over.

### ALDERMEN

In the Aldermanic nomination, both Aldermen William Offer and William Shields have stated their intention of defending their seats in the forthcoming election if nominated.

Mr. Offer said he had been approached by a delegation to stand for Mayor but had definitely turned down the proposition.

Ald. Alex Mitchell said he was still undecided when queried Wednesday and both Aldermen Len Parker and Sid Pennell were unavailable for comment at press time.

Ald. C. E. White will be ineligible to stand for election, having sold his property in the City several months ago.

The entire present Council was appointed by the Provincial Government in Victoria.

## Opposition Not Recognized Says Conservative Candidate

Parliamentary procedure is being stamped out in Victoria as it was in Ottawa. Conservative candidate Craig Frazer said Tuesday night.

The meeting held in the Silver Moon, Tuesday night, was chaired by Mr. Percy Muckleburg.

"The present Social Credit government does not recognize opposition," the speaker de-

clared. "They want a 10th S.C. member in Victoria, but we are determined they will not have one from this by-election."

Mr. Frazer also rapped the government's policy of not keeping the public informed. "As for the Municipal Act, it is doubly worded and badly needs revising," he said.

## All Candidates Meeting For Civic Election Sept. 11

An All-Candidates meeting for the Sept. 19 Civic Election will be sponsored by White Rock Board of Trade Wednesday, Sept. 11, at 8 p.m. in the Silver Moon.

Mrs. D. A. Crawford, secretary of the Board of Trade, said Tuesday the group feels that as the nominations for

the White Rock election do not close until Sept. 9 there will be little time for individual meetings before Sept. 19.

It is the Board of Trade's wish that White Rock citizens have some knowledge of candidates who are standing for office in this city's first election, Mrs. Crawford said.

## SUNNYSIDE NEWS

On August 24 at White Rock District Hospital, a son was born to Mr. and Mrs. W. E. Pearson of Sunnyside. The little boy weighed 8 lb. 6 oz.

A very successful and inspiring Vacation Bible School session was conducted in Sunnyside, August 12 to 23 by the Church of the Nazarine, under the able leadership of Thomas Straiton. On the evening of August 23 the public was invited to see the handwork done by the pupils and to enjoy the programme put on by the children. Rev. Hoffman brought the address.

J. Gray of Clow Road is a patient in Shaughnessy Hospital. It is hoped that he will soon be much improved in health.

The Crossroads Hospital Group will be having their Fall meeting and election of officers at the home of Mrs. F. H. Pickering on Sept. 9 at 8 p.m.

Neil MacDonald of Sunnyside is a patient in the Royal Columbian Hospital where he is very ill following a serious operation.

Mr. and Mrs. Peters and their daughter Elaine of Foremost, Alberta, have been guests at the home of the former's parents, Mr. and Mrs. H. Torberg of Sunnyside. The Albertans must return home for school opening as Mr. Peters is on the teaching staff at Foremost.

Mrs. D. M. Giles is in the White Rock District Hospital where she is receiving treatment. Her friends wish her a speedy recovery.

Newcomers to Sunnyside are Mr. and Mrs. Barge and children who have taken up residence on Clow Road in the home formerly owned by Mr. and Mrs. Buckland.

Mr. Charles is a patient in the White Rock District Hospital. Though very ill, he has a kind word to say for the care he is receiving in the hospital.

## Clubs Lodges

Regular meeting of the Canadian National Railways Veterans Association will be held in the Buena Vista Hall, 2 p.m., Sept. 4.

A pot luck lunch will be given by the ladies of the Canadian Legion at the Hall on Johnston Road on Sept. 3 at 12 o'clock, meeting following. Members are asked to bring their own knife and fork.

The Canadian Legion, No. 8 of the Ladies Auxiliary are holding their regular monthly meeting Tuesday, Sept. 3. Members are asked to bring their donations for the bazaar.

Friendship group of the United Church will resume their regular monthly meetings on Tuesday, Sept. 10, at 2 p.m. at the home of Mrs. W. Brown, 1556 Finlay Street.

## CCF Leader To Speak Here

Robert Strachan CCF Provincial Leader, will speak in support of Len Shepherd at 8 p.m. in the Buena Vista Hall. Shepherd lived for many years in White Rock. He came to White Rock as a lad in 1910 from England, and enlisted in the First World War. He returned here in 1916 to go into business with a brother. He now resides in South Westminster, where he is in the farm equipment business. An MLA for Delta from 1937-45, he has also been a member of the Surrey Council and is now a School Trustee for School District No. 35.

## Heating Engineer To Reside Here

Mr. L. Kersey, heating engineer with the Hilltop firm Quality Metals, expects to make his home in White Rock is the very near future. He and Mrs. Kersey have three boys, Steven 6, Gerald 4 and Joseph 3.

Already residing here for the past three years, is Mr. B. Kersey. He is manager of the White Rock Store, which is a branch of Quality Metal Products, Vancouver. Established in the city 12 years ago, Quality Metals opened its White Rock branch in 1955. Installation crews will come from Vancouver on Sept. 1 and are expected to stay in White Rock until the gas installation rush is over, probably about Dec. 15, Mr. Kersey said.

## Trans-Canada-East-West Answer

Announcement by Federal Public Works Minister Howard Green that the Trans-Canada Highway may be completed by 1960 is music in the ears of Western Canadians. The fact that close to 2800 miles of the \$500 million dollar road are now paved is also good news.

Even at that, the linking of east and west by an all-Canadian highway is long overdue. To many who began to fear the road would never be a reality it had begun to look as though Rudyard Kipling's saying "The East is East and the West is West, but never the twain shall meet" is just as true of this country as it was once thought to be of the Oriental and Occidental worlds.

In any criticism of road construction policies in Canada, the critic, if he is fair, will realize factors which have all along impeded the progress of this national artery. One is the vast distance, 4500 miles now from Newfoundland to Vancouver. Another is the "thin, red line" of population stretched out across this great country. Others are, of course, two world wars in which Canada played a conspicuous part, in spite of her relatively small number of people.

But when all excuses are made that can be made it is still obvious that the Trans-Canada, even if completed by 1960, will be nearly ten years later than it should have been.

## What Price Forgery?

The rash of publicity now being given to notorious cheque "passers" both across the line and here at home should serve to alert all business firms against the "traveler" with a supposedly plausible story.

An excellent booklet, put out by the RCMP entitled "Crime in Your Community" would be a very good guide to those placed in positions which make them vulnerable to the fraudulent cheque racket. About 85 per cent of bad cheques are cashed in stores and other places of business. Banks, because of their special precautions, are well down on the list of victims.

It is estimated by the RCMP that Canadian business loses two million dollars per year as a result of the passing of forged cheques and money orders. Much of this loss could be prevented if both employers and employees exercised a few simple precautions.

The RCMP booklet warns that strangers are not always crooks but crooks are usually strangers. Moreover, there are definite signs by which swindlers can be identified. The professional will try to "sell" himself to his victim and the greater number of forgeries he has successfully completed, the more polished he will become.

Nearly one-fourth of forged cheques are passed by women, and names or superficial signs, such a good card, means nothing, RCMP warn. They also warn strongly against gangs of cheque passers doing a town on a weekend and making a fast getaway.

The loss of money through taking a forged cheque or raised money orders, is nearly always due to the victim not taking necessary precautions, and not insisting on proper identification, RCMP conclude. In many cases no identification is required.

Prevention of this type of crime is largely in the hands of Mr. John Public. If he co-operated with law-enforcers, much of the great loss suffered each year through forgeries could be drastically reduced.

## CHILDISH ATTITUDE.

It is strange how some folks change, like in their attitude. When formerly they were friendly, now they are almost rude.

This was brought to my attention, by a friend the other day.

I really was surprised, for he had this to say,

"Do you know So-and-so, he was always friendly when we met."

"Now he scarcely nods in passing, and I know why he's upset."

"It was about Incorporation, which he knows I boosted for."

"He lost his vote, so without doubt, he still is feeling sore."

Now that sure is narrow-minded, aye childish if you will.

For a person to be bitter, he must surely fill the bill.

All of us don't think alike, but can't we give and take,

If men like that controlled our Council, how much progress would we make?"

W. F. McCLINTOCK

# An Open Letter To The Citizens Of White Rock

The need of a centre for our growing community activities, is, I am sure, recognized by each and every one of us.

As Chairman of the Community Centre project, I have been engaged these past few months gathering data on the feasibility of such a project for White Rock.

The two questions are: Should we strive for a Community Centre or a Civic Centre?

A. A Community Centre built on the site of the Ruth Johnson Park on North Bluff Road. Probable cost for a modest structure would be \$100,000 plus cost of sewage disposal.

### DISADVANTAGES:

Would not be self-supporting and would represent a constant expense to the taxpayers.

Not centrally located and may well present a problem to many of our senior citizens and handicapped groups with limited means and transportation.

### ADVANTAGES:

Space for future expansion.

Adequate parking facilities could be provided.

One of the most beautiful settings in B.C.

B. A Civic Centre on the former Letourner property at "F" Street and Buena Vista.

### DISADVANTAGES:

Limited parking and no room for expansion.

### ADVANTAGES:

Could be almost self-supporting and recommended by two independent authorities as practical for this city.

Sewage disposal no problem.

Building costs (integrated with Civic Offices) would be considerably less.

Accessibility.

Before seeking financial advice (and, if possible) some degree of financial assistance from the Government, it would be a definite advantage to know the objective most favourable to the residents and taxpayers of this community.

And any candidate for Civic Office must be prepared to make a decision on this future community endeavour.

In the next few weeks I would appreciate your views on this matter, preferably by letter or by phone if you prefer.

I am,

Yours truly,

W. S. HURD,

Chairman C.C. Project.

15648 Royal Ave. WI. 8-9570.

# LETTERS TO THE EDITOR

R.R. 1,

White Rock, B.C.

To the Editor,

Semahmoo Sun.

Dear Sir:

Mr. Bigg is concerned that I answered my own questions regarding the statue of Christ as a Centennial project. That was because I suspected (correctly, evidently) that Mr. Bigg could not. He thinks that my reference to materialism "cancelled out" the ironic suggestion of hot-dog stands, etc., and calls it "cynical." He should learn the difference between satire and cynicism, and thus advance his understanding. He agrees with my indictment of modern callousness as exhibited in so many ways, but is quite unable to see that his own proposal—albeit meant with the best of intentions—is in line with the materialistic outlook that is the curse of the times.

Then I am confronted with verses from Exodus, allegedly written by Moses, who miraculously describes, both his own birth and his own funeral. And yet, just prior to the "Lord's" instructions to build a mercy seat, with cherubim (no "s" please, in spite of the King James version) who will stretch wings, etc., there is a commandment to "make no graven image, nor the likeness of anything in the heavens or the earth," so one wonders what part of the universe the cherubim inhabit. But to link Exodus with "orthodox Christianity" is pathetic; why did Mr. Bigg not quote some earlier chapters of Exodus to show us what kind of "Lord" this tribal god of the Hebrews actually was? Mr. Bigg seems unaware that the Israelites of that day were polytheists; even the "Lord" says "Thou shalt not revile the gods" (Exodus 22:28). But, accepting all Mr. Bigg's quotations, it may be noted that the mercy seat, etc., were not to be erected to commemorate the anniversary of a tribal territory, nor to advertise a gold mining corporation, nor to be illuminated like a neon advertisement for cigarettes but for the "Lord" to be approached and served by the people of his favorite tribe.

And whether Christianity is "orthodox" or whether it is genuine, it is to be found in the New Testament, not among Hebrew tribes.

Yours truly,

GEO. W. WEAVER.

White Rock, B.C.

To the Editor,

Semahmoo Sun.

Dear Sir:

I was much enthused over a letter in Semahmoo Sun, August 8, from our "youthful" rooster for White Rock, Mr. J. H. Vidal. What a vista of things to come he envisaged for a bigger and brighter Pier and no day dream either, but the matter of sufficient parking would have to go along with any plans for an "Amusement Pier." Parking even now must be a major deterrent to visitors who have made one trip here and would gladly return but for lack of parking facilities.

Yours truly,

A. E. REED.

14607 Washington Ave.,

August 20, 1957.

To the Editor,

Semahmoo Sun.

Dear Sir:

Replying to the letter in the Semahmoo Sun re the coming Centennial.

"Doth not the heavens declare my glory and the firmament sheweth my handiwork saith the Lord."

"And have I not decreed that thou shalt not make unto thee ANY graven image, or the likeness of ANY thing that is in the heaven above, or that is in the earth beneath, or that is in the water under the earth?"

Then why build ye an image that cannot speak and that cannot walk, but has to be borne To the Word and to the Testimony if these things be, or be not so.

"A LOVER OF THE WORD"

SOMETIMES I can't help but wonder if our age is becoming—or has already become—thin-skinned, over-

starched and, dare I say it?—effeminate? Not only are there definite signs of weakening of the stronger sex, as revealed by the popularity of sob-singing, hip-wiggling heroes of stage and screen. In every phase of life there are indications today that 1957 people simply "can't take it." It used to be considered a woman's failing not to resent criticism. Men are supposed to be able to "give and take" with no hangover of bad feeling. I fear this notion is rapidly losing ground. Where's our age-old boast of freedom of speech, freedom of thought and the ability to differ from others without rancour?

TO ANYONE who ever has had a chance to look over the files of newspapers of 60 or 70 years ago the change from those days is startling. Writers, particularly editors, of that time, expressed their feelings freely, expecting to find others who disagreed with them, violently. And they did. It was all part of the rugged game of individualism which our pioneer forefathers knew how to play. I venture to say the foundations of this country were laid by this adherence to respect for the rights of others to believe as they wished.

IT HAS MORE THAN ONCE been said, that no nation can fight a war, which had its roots in ideological differences, without becoming infected with the national disease they strove to stamp out. This is a thought all democratic countries should keep in mind constantly. The great struggle which has involved this world in either hot or

cold wars for over twenty years now is between the authoritarian and the voluntary concepts of life. The Fascist theories of Germany and Italy, and the authoritarian tendencies in other European and Asiatic countries have crept into many departments of our western life—both on the governmental and private levels.

AUTHORITARIAN STATES use the coercive power of the state to equalize possessions and incomes. In other words to them the individual man, and his ideas are of no importance. He only exists to serve the state. Our system which is being nigged into all the time, still declares that the state was made to serve man. The brutality we see more and more frequently around us, is the dreadful result of this theory.

I may have travelled rather far from the sob-singing with which I started, but to me, it is all part of the picture. There is a real danger that the old rugged virtues, and what the old-fashioned would call "manliness," will soon be lost to western life unless we fight the diseases which are killing them.

(b) As Resident-electors, British subjects of the full age of twenty-one years who are resident and have resided continuously for not less than six months within the municipality immediately prior to the submission of the declaration provided for, and whose names are not entered on the list as owner-electors;

(c) As Tenant-electors, British subjects of the full age of twenty-one years who own real property within the Municipality and have been continuously for not less than six months immediately prior to the submission of the declaration provided for, tenants in occupation of real property within the municipality, and whose names or the names of which are not entered on the list as owner-electors or resident-electors.

The name of a person shall not be entered on the list of electors as tenant-elector or resident-elector unless such person causes to be delivered to me a statutory declaration in the form prescribed. The said declaration must be delivered to me before 5 o'clock in the afternoon of the 30th day of September, and no declaration shall be accepted unless it is delivered within one week of the date thereof.

Names of persons who qualify as owner-electors are automatically placed on the list. Persons who are not property owners and who wish to include their names on the 1958 Voters List as resident-electors or tenant-electors must complete the required declaration within the time specified.

Forms of declaration are available at my office.

JOHN L. JONES,

City Clerk.

City Hall, White Rock.

## Around Town

### Beach Parties Held as Holidays Close

As summer with its fun and frolic in White Rock's famed Semiammo Bay draws to a close many beach parties bring crowds of local young folk to the beaches. Among the recent beach parties was one given for Master Gordon Mitchell, son of Mr. and Mrs. Eric Mitchell of Magdalen Ave., also celebrating his 12th birthday, on Tuesday. Guests included Misses Darcy Anne Mitchell, Perla and Judy McCloy, Wendy Warren, and Betty Sloan, and Masters Donald and Bobby Boucher, Kenny Page, Ricky and David McGrath, Richard and Brian Warren, and Craig Larsen. After the beach supper, Gordon and his young guests enjoyed a trip around Semiammo Bay in his parents' cruiser "Dargon."

### LEAVES FOR BAHAMAS

Mrs. Harold L. Young (nee Betty Hunter) visited her parents Mr. and Mrs. John Hunter, Prospect Ave., and is now enroute to her home in Nassau, Bahamas.

### RETURNS TO OTTAWA

Mr. and Mrs. T. Gray, and Melvyn, have returned to Ottawa, after spending a three-week vacation in Vancouver and White Rock. While in White Rock, they were the guests of Mrs. Gray's mother, Mrs. L. Cave of Magdalen Ave. Mr. Gray has recently been appointed Technical Officer III, in the Dept. of Postal Affairs, Ottawa.

### ROUND TRIP

Mrs. Jessie Lee, Victoria Ave., has returned from a scenic tour by train and boat which took her north by PGE and CNR to Prince George, Hazelton, Terrace and Kitimat and back to Vancouver by the "Queen of the North." Since her return Mrs. Lee has had her sister, Mrs. D. D. Stewart, of Vancouver, as a

guest. Mrs. Stewart, accompanied by her three children, Donald, David and Linda, left Monday for Winnipeg to join Mr. Stewart who has been transferred to that city as manager of a Royal Bank of Canada branch.

### LEAVES FOR HOME

Mrs. Helen Krause left on Sunday for her home in Aurora, Illinois, travelling by car with Mr. and Mrs. Harold Wilkie and daughter, Marion, who drove to White Rock from Illinois. Mrs. Krause has been the guest of her sister and brother-in-law, Mr. and Mrs. Wm. Thompson, Marine Drive, for the past nine months.

### JOINS HUSBAND

Mrs. John L. Jones of Nanaimo will arrive in White Rock on the weekend to join her husband, City Clerk J. L. Jones. She will be accompanied by their daughter, 15 year old Margery, who will enrol in Semiammo High School. The family will be residing on Johnston Rd.

## Bride's Sister Attendant At Wedding Service

The White Rock United Church was the scene of a pretty summer wedding ceremony when Eileen Alma McGhan became the bride of Gustaf Wolfgang Wittwall van Wickenburg. The bride's sister, Miss Joyce McGhan, was her only attendant and another sister, Mrs. H. S. Finlay, sang "O Perfect Love" during the signing of the register.

The bride, a graduate of the University of British Columbia, and of the Vancouver Normal School, is the daughter of Mr. and Mrs. C. N. McGhan, Pacific Avenue. The groom, who is a divinity student at Union College, Vancouver, is the son of Mr. and Mrs. B. M. Wittwall van Wickenburg of Sussex, New Brunswick.

Rev. Walter Ward officiated at the double-ring ceremony held at 3 p.m. on Tuesday, August 20.

### BRIDAL DRESS

For her marriage the bride chose a floorlength gown of white lace over taffeta with lily-point sleeves. Her finger-tip veil was held by a white bridal head-dress and

she carried a Bible with bouquet of talisman roses and white heather. She was given in marriage by her father.

As bridesmaid her sister, Miss Joyce McGhan, wore a blue flock nylon over taffeta floor-length dress and carried a bouquet in contrasting tones. Best man was Mr. Hadden Gregory and ushers were Miss Sheila Mitchell, Miss Donna Mayers, Miss Nelles Mah and Miss Gladys Mah, members of the bride's CGIT group.

At the wedding reception held in the United Church Hall Mr. Kermit Eutin proposed the bridal toast. Telegrams of congratulation were read from friends and relatives in Holland, Sussex, New Brunswick, Toronto, Red Deer, Alberta, and Edmonton.

For her wedding trip to Alberta and Rocky Mountain Parks the bride changed to a going-away costume of a dark green sheath dress. A white jacket and white accessories completed her attractive ensemble.

Upon their return the young couple will reside at 2610 Parkers Road, Vancouver, B.C.

MR. AND MRS. WILLIAM C. SHIELDS

One of White Rock's first Aldermen, Mr. William C. Shields, and Mrs. Shields recently celebrated their golden wedding anniversary at Lethbridge, Alberta.

The couple, who reside on Kerfoot Road, motored back to their former home-town for the family celebration. A turkey dinner at the home of Mr. and Mrs. Ned Shields was followed by "open house" when visitors from Calgary, Edmonton, Okotoks, Fort McLeod, Swift Current, Salt Lake City, Los Angeles, White Rock and Victoria called to honour the couple and sign the "golden guest book." Mrs. Clara Shields was in charge of the guest book and the many gifts presented on this occasion.

### COMMUNITY WORKER

Born in South Jordan, Utah, William Shields came to Alberta in 1902. In 1908 he brought his bride from Draper, Utah, and the couple farmed successfully for years at Masinasin, later moving to the "White" district, where they were active in all community affairs. Mr. Shields spent much of his time furthering the cause of the UFA and the Wheat Pool organization.

### Crescent Resident

#### Passes Suddenly

One of Crescent's waterfront residents died Wednesday. Mrs. John H. McDonald, mother of Robert McDonald, Jr., and Mrs. Ian Aikens, passed quite suddenly from a coronary ailment.

Reverend Stanley Bertridge, with his wife and two daughters, Jeanine and Maureen, are returning to their home in Powell River, after spending a month in their Crescent Beach home.

There is an impressive display in the real estate office window of L. L. Adams of almost one hundred cups and trophies which will be given in connection with the Crescent Swim Club Regatta.

Miss Marjorie Aylwin, from Los Angeles, California, is visiting with her aunt, Mrs. A. R. Foster and family of Stevenson Road.

A spectacular crash occurred on the Crescent Road Friday afternoon when a car allegedly driven by a teen-ager, without a license, collided with several mail boxes. The car careened through a fence on the opposite side of the road and crashed into Lorne Woods' carport, collapsing the structure on top of the car, which sustained surprisingly little damage.

No one was hurt and the teen-ager, after telling police they couldn't arrest him because he'd been driving his mother's car for a long time without a licence, was taken off in the police car.

## Former Miss White Rock Weds At Friday Ceremony

The candlelit altar of the United Church was decorated with tall standards of white and mauve gladiolus on Friday, August 23, at 7:30 p.m., when Connie Sheila Whittle, daughter of Mr. and Mrs. Alf Whittle, Pacific Ave., exchanged rings and vows before the Rev. W. Ward, with Frederick Walter Phillips, son of Mr. and Mrs. Alfred Phillips, of Vancouver.

Given in marriage by her father, the lovely bride wore a gown fashioned of figured lace with panels overlaid with nylon tulle. It featured a bateau, scalloped neckline edged with tiny pearls and sequins. A crown of sequins and rhinestones held her floor-length veil of illusion net and she carried a white Bible mounted with a mauve orchid with streamers of forget-me-not ribbon.

### BRIDAL ATTENDANTS

As mistress of honour, Mrs. Douglas Kendall, sister of the bride, and the bridesmaid, Miss Sylvia Hogg, wore gowns of mauve net over taffeta in ballerina length with stoles of net over the shoulder and draped down one side. Their headresses were matching sequin tiaras. As junior bridesmaid and flower girl, Judith Kendall and Debbie Whittle, nieces of the bride, wore identical frocks of mauve net, in floor length, with ribbon bows at the back. The ring bearer was seven year old Master Bruce Whittle, nephew of the bride, who wore a white dinner jacket and carried the bridal rings on a white satin cushion.

Best man was Mr. Bruce Russell and ushers were Mr. Roy Phillips, brother of the groom, and Mr. Dave Malet. Soloist was Mrs. Russell. Among the many out-of-town guests attending the wedding was the bride's grandfather, Mr. James Gibson of Calgary. At the reception held in the Silver Moon Banquet Hall, Mr. Harry Pearson of White Rock, proposed the bridal toast. For her going away costume the bride changed to a two-piece suit of white jersey worn with a teal blue picture hat and matching accessories.

Following a honeymoon in California, the young couple will reside in White Rock.

Aspiration plus perspiration enables a man to reach his goal.

# The Corporation of the City of White Rock VOTERS LIST

In accordance with the provisions of the Letters Patent issued by the Lieutenant-Governor of the Province of British Columbia, dated the 15th day of April, 1957, a list has been prepared of persons entitled to vote at the election to be held on 19th September, 1957, for Mayor and Aldermen for the City of White Rock. A copy of the list of voters has been posted at the City Office, at Coldcliff Villas and at the Buena Vista Hall, and may be inspected by any interested party.

Paragraph 6 of the aforesaid Letters Patent reads as follows:

"Those persons entitled to vote at the election shall be such persons or corporations whose names appear on the last revised Voters List of the Corporation of the District of Surrey (hereinafter referred to as 'the District Municipality') by virtue of the fact that, at the time of compilation of the said Voters List they were the owners of land or land and improvements within the said area or were the holders of subsisting trade licenses and carrying on business within the area, or were householders residing within the area at the time aforesaid."

A Court of Revision to hear complaints and correct and revise the said List of Voters will be held in the Council Chamber, City Office, on Wednesday, September 4th, 1957, at 10 a.m.

JOHN L. JONES,  
Returning Officer.

## RECIPE OF THE WEEK

With luck and a little co-operation from the weather man maybe we can manage a few more outdoor meals before back to school and autumn hedges us in. For those who like to eat on a sunny deck or shady patio (depending on the whims of Ol' King Sol) but don't care for the barbecue routine, I can think of nothing better for a hearty but festive main dish than this Spanish Pork Chops one. The recipe was given to this column by Mrs. Pearl Lloyd, who cooks for one of our best restaurants in town. Before coming to White Rock to make tempting meals for travellers and local residents alike, Mrs. Lloyd cooked in Northern Alberta and B.C. for nearly 15 years. Try this recipe of hers and I know you will make it one of your favourites.

### SPANISH PORK CHOPS

Four pork chops or more. Dip in beaten egg and bread or cracker crumbs. Place in pan. Sprinkle with salt and half cup brown sugar.

#### Sauce:

- 1 small onion, chopped fine
- 1 small can of tomatoes whipped with beater to make fine
- 1/2 cup brown sugar
- 2 tablespoons vinegar
- Dash of chili powder

Pour over pork chops in pan and let cook one hour or until done.

"F" Street.

Mrs. Pearl Lloyd.

## Little Red School Will Remain Closed

Despite protests of Barnston Island parents the 35 year old "little red school house" will definitely remain closed.

This was the decision of School District No. 36's trustees at a Board meeting held Monday night.

C. D. Christian, new School District Secretary, told the Semiahmoo Sun Wednesday that transportation for pupils on the Island asked for by parents would be provided to the ferry. Plans are now being worked out, he said.

A delegation of parents and trustees interviewed the Department of Education last week on the problem of the last one-roomed school in District No. 36.

## Mystery Boat and Planes at Crescent

Crescent residents around Mud Bay were wondering Saturday morning about a couple of aquaplanes that were flying very low over the Bay. Later in the day, a large man appeared at the Hastings residence and inquired the way to drive down to the dock below on the Nikomekl. When told, he explained that he'd lost his boat a week ago, had searched with boats all around the Bay from Ladner, then Saturday morning had gotten planes.

"Nearly scraped off the pontoons on the railway trestle," he said, "but located my boat on that dock down there."

Later, the Mister went down to see things on the dock. The pale blue car the big man drove was there, but he was nowhere in sight. There were, however, two Mounted Police, among others, and a home-made dinghy.

Mr. Justice and Mrs. Harry Sullivan of Beckett Road, Crescent and Vancouver, have just returned from an extended holiday in the southern states. They went by train and hired cars in the places

they chose to explore.

Mr. John Beckett of 2577 Tulloch Road had the misfortune to injure his back on Saturday. After a short stay in White Rock Hospital he came home on Saturday week.

Sgt. Alan Foster and son, Hamar, have returned from their holiday camping trip.

Mr. and Mrs. Alvin Christopherson and two sons, Jimmy and Michael, are spending a week with Mrs. Christopherson's parents, Mr. and Mrs. Jimmy Lynch, on Sunnyside Road.

Mr. and Mrs. Larry Dagner and family are spending a few days with Mrs. Dagner's mother, Mrs. Alma Hogness.

It is far easier to form good habits than reform bad ones.

### Earl Ready to Play in B.C. Softball Final

For the second consecutive year Earl Ready, young White Rock Elgins softball star, has been chosen to play for Surrey's representative at the B.C. Senior C Softball Championship, August 30 to Sept. 2 at Moody Park, New Westminster.

Ready was picked by Newton who won the Surrey title and advanced into the Provincial playoffs by defeating Floors Modern twice in the zone finals. Daryl Rouleau of Whalley was also chosen by the Newton team.

Tournament regulations permit any team entering to choose two outstanding players from other teams in their area to build strength for the finals.

Last year Ready played for Whalley Chiefs in the B.C. Championship who won all their games to capture the Provincial crown. The Elgin player pitched in two of these victories.

Earl Ready is an all-round athlete excelling in basketball and track and field in addition to softball.

## TOWN TOPICS

By VIN COYNE.

After last Wednesday's softball final, I know exactly how a condemned man must feel. If he feels as friendless as an umpire feels after making a close decision he has my sympathy, guilty or not. I had the misfortune to make the call at second base which ended the game and also White Rock Elgins' playoff hopes. Couldn't help thinking as I listened to the irate spectators views on the decision, how such a call has an adverse affect on the crowd much more than the actual players.

For the players, its momentary anger and disappointment. But the relations, friends and fans of the team that was "robbed" complain and hold a grudge against the umpire indefinitely. This point was proved again Thursday when I met one of the players in White Rock. He grined, we talked about the game but there was no rebuke of the previous night's decision. A few minutes later I turned onto Victoria Ave. and ran into a young lady who is an ardent Elgin supporter as well as a relative of one of the players. She looked coldly at me (or through me) in a manner that would have made that great major league umpire Bill Clem shiver, then turned away. A policeman's lot may not be a happy one, but he hasn't got anything over an umpire. Especially a home-town umpire.

W.R. Junior Chamber of Commerce and all those who assisted in the preparation of this City's float for the PNE parade deserve a round of applause. First attempts are often shabby, but not so in this case. The work that went into the project was well-rewarded when White Rock's float held its own with many entries that had been in previous years parades.

### Advances to B.C. Playoffs

## Newton Knocks Elgins Out Of Softball Finals

A tremendous ninth-inning rally plus a close base decision in their favour gave Newton's Senior C softball nine a 5-4 victory over White Rock Elgins Wednesday and a ticket to the zone finals for the B.C. Championship.

Newton advanced into the Provincial Tournament which will be held at Moody Park Aug. 30 to Sept. 2 by defeating Floors Modern 8-3 Friday and 4-2 in the zone finals Sunday to capture the best-of-three series in two straight games.

Newton took a 2-0 lead in the best-of-five Surrey finals against White Rock Elgins but the local nine bounced back Tuesday for a 2-1 triumph behind the fine pitching performance of Jake Block.

### PECK TRIPLES

A triple by young Art Peck plus a scoring single by Eddie Fader in the tenth inning broke the 1-1 deadlock. Don Beadle was the losing pitcher. Jake Block was again elected to start the fourth game Wednesday at Bear Creek. Denny Churchill pitched for Newton.

Block did a capable job as Elgins built up a 4-0 lead behind the solid hitting of Earl Ready, Ed Fader and M. Canil.

Block squeezed out of a tight spot in the eighth when he loaded bases with two away but retired the final man.

### NIGHTMARE NINTH

Then came the nightmare ninth. Newton again loaded the bases with two out but this time Pat Patenaude's triple brought in three runs.

Block allowed two more men on base, reloading the sacks, then Earl Ready came into pitch. A sharp ground drive was smashed over second base. Bob Brown made a sensational dive, knocked the ball down, reached out and tagged the bag.

Base umpire Vin Coyne ruled that Brown didn't have the ball in his possession until after Newton catcher Ron Booth reached second safely.

Two runs scored on the play giving Newton a 5-4 win and an extension to the softball season.

# In the Garden

By G. E. Sery,

## THE VEGETABLE GARDEN

For best results from the home garden one must harvest crops when they are at their best. One authority points out that to get the most vitamins out of vegetables, pick them in late afternoon before dark the same day.

Tests show that, even on the vine, vegetables may lose as much as 25 per cent of their vitamins after the sun goes down. Agriculture experts have made special studies of this subject and learned that "light" has a remarkable effect upon the accumulation of Vitamin C.

Beans should be picked when they snap easily and while they are still young and streamlined. Unless they are eaten when young they become tough, stringy, and have an entirely different flavour. Snap beans go by so quickly that they must be closely watched and picked daily to get them at their meaty, tender best. Stringless varieties need not be picked before they attain their full length, but they should not be permitted to grow too plump and portly. Pole varieties especially develop rapidly and pass their prime almost overnight.

Lima beans are also at their best if picked while they are still young and green. When the pods begin to turn yellow the beans are past their best stage of development. It is best then to allow them to ripen on the vine for use during winter months.

Early cabbage often grows so fast that it gets a swelled head and cracks up. To keep the heads from bursting before they are harvested, bend the plants over by pushing them to one side. This breaks some of the side roots and checks development of the heads. They can then be left in the garden longer than is safe to do otherwise.

When harvesting the first crop of early cabbage do not pull up the plants. Instead cut off the head and leave a good piece of the stalk remaining. The stalk will then produce many small growths. These can be used for salad greens or cooked in the usual manner.

Watch for cabbage worms. You prepare to battle cabbage worms by watching for the appearance of small, white butterflies over young cabbage plants. Prepare at once to spray or dust the cabbage plants. The females of the butterflies lay their eggs on the cabbage leaves. These hatch out worms which are about one and a quarter inches long and packed with trouble. The worms can be destroyed soon after they have hatched out by the use of a nicotine spray. To combat the worms on mature cabbage plants, use tobacco, pyrethrum or rotenone dusts.

Parsnips take their own sweet time to mature—about 130 days—but once you have acquired a taste for them, they are well worth waiting for. Other vegetables give quicker results, but it must be remembered that parsnips will be available from the garden at a time when there is little else that can be considered a fresh vegetable.

Although parsnips can be dug in the fall, the bigger part of the crop is best left in the ground for use during the winter and in the early spring. They actually improve in flavour if left in the ground over winter.

If you want long, smooth, well-shaped roots, see that the soil is deeply prepared before planting. Frequent and deep cultivation also is essential to satisfactory development of parsnips throughout

their growing season, and especially now, parsnips require a constant supply of water. Dig don't pull parsnip roots from the ground. Roots can be stored in a cellar in moist sand for winter use. If left in the ground over winter, the roots are best protected with a straw mulch.

## OTHER VEGETABLES

Seed stalks of rhubarb should be removed as soon as they form, because seed-bearing greatly weakens the plant. If your cucumbers are bothered with beetles, use sabadilla as a dust for their control. Squash bugs also can be controlled by the use of this same material. Only the small fruited varieties of cucumbers should be grown for pickling.

Marrows should be picked when about two-thirds grown to be at their best. Older marrows can be used for pies and the rind utilized for pre-

serves. Fruits of egg plants do not set unless the plants are kept growing steadily. Pinching off the ends of the branches and leaving only two or three blossoms on a branch help the fruits to set.

Only the tips of stems on New Zealand spinach should be cut for use. New tips will grow, so that a few plants will supply the average family with greens all summer long.

Purple-top rutabagas should be thinned to stand six to eight inches apart in the row instead of four inches for smaller turnips. This is because the purple-top ones are heavy growers.

To be sure of getting your vitamins use greens made from beet-tops. Use them while they are young and tender.

### Garden Club Visit Dahlia Farm

A cavalcade of cars left White Rock on August 19th and proceeded to Langley to visit the Pleasant Dale Dahlia Gardens. Car owners of the White Rock and District Horticultural Society very kindly provided transportation for 50 of their fellow-members and friends.

The Pleasant Dale Gardens are an ideal spot for a picnic with its acres of dahlias making a blaze of colour. There is a barbecue by a swimming pool and a water wheel leads to a woodland path by the side of the brook.

After inspecting the many different varieties of dahlias, Mrs. W. Potter prepared tea and coffee on the barbecue, and Mr. P. C. Perry called for a hearty vote of thanks for Mr. and Mrs. F. W. Lockyer, the proprietors of the gardens, which are always open to the public.

### Renton Return Match Sunday

Edna Jones and Bill Watson were low gross winners of the mixed two-ball foursome held Saturday at Peace Portal.

Oliver Berry and Bob She-won won the low net of the foursome. Golf balls were given as prizes and a social was held in the Club House following the competition.

Important Renton return match will be held Sunday at Peace Portal. Peace Portal golfers visit Renton, Washington, on Victoria Day weekend and the Renton golfers play a return match here on the Labour Day weekend. Banquet will be held at Tara at the conclusion of the match.

### First Soccer Practice Slated for Wed., Sept. 4

First soccer practice of the season for boys between 15 and 17 years of age wishing to play in the Surrey-Langley League will be held Wednesday, Sept. 4 at 6:30 p.m. at Semiahmoo Park.

Ed. Woode, coach of the team again this year, reports 1956 Rotary Club uniforms will be used but players must provide their own soccer boots.

## ...TO MAKE YOUR BALLOT WORK!

If your ballot is to work it must either make possible an effective government or ensure an effective opposition. Today, in B.C., a vote for Social Credit is a vote wasted—because the Government already commands an excessive majority that allows it to ride roughshod over all minority viewpoints.

Only the Conservatives can form a truly effective opposition to safeguard your future. Because to be effective—the opposition must be capable of forming an alternative government for you, if and when you need it.

Canadians have rejected C.C.F. socialism, seen the collapse of the Liberal party and given their confidence to the new Conservatives. The only alternative government that makes sense in B.C. is a Conservative one.

That's why the only opposition that makes sense at Victoria today is a Conservative opposition.

### City To Clear

**Hospital Property**  
City Council will donate a bulldozer service to clear the south end of the White Rock District Hospital property.

Hospital Administrator R. Williams asked Council Tuesday to allow the City grader to clear brush on the property. He said the hospital staff would burn the brush this Fall.

Public Works Superintendent Bob House told Council Tuesday the grader was not suitable for this type of work. He felt a bulldozer would do a much faster and more efficient job.

Aid. William Shields said the maintenance of the hospital property was partly the City's responsibility and they should accept half the cost of the clearing.

After considerable discussion, Council authorized the Superintendent to have the work carried out at the City's expense.

### City's Public Spirit

Commended by PNE

Move by White Rock Junior Chamber of Commerce and City Council in entering a float from this City in the PNE parade last Wednesday, has brought a letter of appreciation from the PNE Board of Directors.

In a letter addressed to Mayor W. (Bill) Hodgson, W. J. Borrie, president of the Board, said:

"The Directors were most interested and highly appreciative of the action of the City Council of White Rock and the business organizations of your new City in the public spirited way in which arrangements were made and financed for the entry of the float in the Opening Day Parade."

"The Board of Directors unanimously approved that a letter be written to yourself and the Council, expressing their appreciation of this fine spirit of co-operation. May we extend our best wishes to White Rock in all its endeavors."

### Teachers Courses To Be Given In Surrey

Fall will see the opening of three courses for teachers given through the University of British Columbia. School Inspector K. B. Woodward said today.

Held either in Queen Elizabeth or Bridgeview School the courses will be: Education 206, Speech Training, given by Mrs. Pearl Campbell of U.B.C.; Education 208, Audio-Visual Techniques, given by Mr. Ben Whittinger, and Education 552.

Last year a University Extension Course in Music was the only one given in the Surrey Schools Inspector Woodward said.
